Market Traction

- Established 2014
- Significant web presence/following
- Recommended highly by Business Insider, TechCrunch, Yahoo, Financial Review, Mashable, The Sydney Morning Herald
- Partner to retailers rather than competitive online grocer
 - Possibly only in short term until supermarkets add in similar feature

Financing and Acquisitions

- Acquired a few smaller startups with similar services in the past year
- Attracted a series of seed investors with deep pockets and belief in business model from launch
