CROWDSOURCING WORLDCRAZE

Gao, Ming Silva, Edson

WHAT IS CROWDSOURCING?

"Type of participative activity in which an individual, an institution, a non-profit organization, or company proposes to a group of individuals of varying knowledge, heterogeneity, and number, via a flexible open call, the voluntary undertaking of a task."

(Jean-Francois Rouges and Benoit Montreuil, adapted from Estelles-Arolas and Gonzalez Ladron)

Business Model

Offer

P2P International services from around the world with current main focuses in France and United States

Character

Creation Mission: Connecting Web based interface travelers with people that matches shoppers willing to get items at the lowest prices with travelers. Online payment transactions anywhere in the world. (Credit, Debit). Values: Earn money by Tracking via Email/Facebook

Identified travelers who travel to the recipients' region (country/city) as their traveling destination.

Senders

Revenue

Model:

Revenue is generated

base on service fee

from each successful

match (travelers and receivers).

Recipients

Shoppers who reside in the region where packages will be delivered

bringing back products from all around the world to other Crzers.

Couriers

Shop and deliver by travelers

Business Model

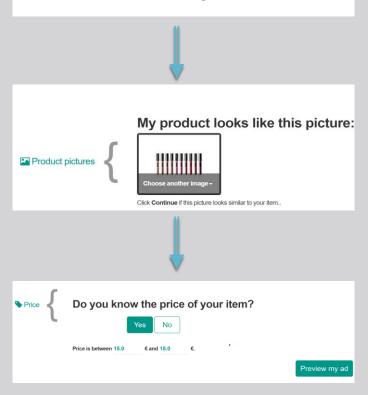

Worldcraze provides a crowd-shopping platform connecting travelers with people interested in purchasing items from around the world. Travelers purchase the requested item and deliver to the buyer for bonuses/tips in return. Worldcraze charges a service fee on travelers and receivers when successful matches are created and completed

Value Proposition

Offering regionally unavailable products at the lowest prices and deliver to anyone from anywhere in the world

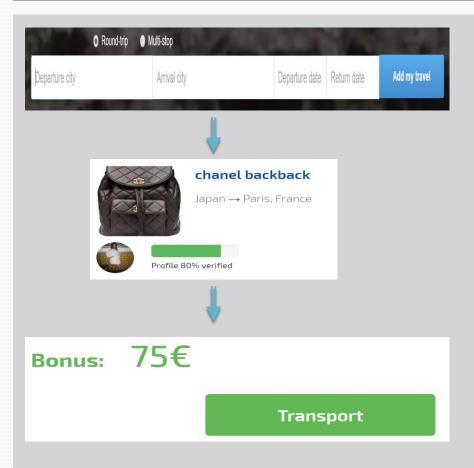

Apps & Comm System (Receivers)

I'm looking for **chanel backback** from **Japan** and I'll give a 75€ bonus for the traveler that will bring it for me at **Paris**, **France**.

- Shoppers/shippers can easily navigate the web/mobile application in 4 steps:
- 1. Enter the requested item of goods and amount of bonus willing to give for the task
- 2. Add a picture for the requested item
- 3. Insert the price of the item as well as the bonus of the task
- 4. Once a task is matched to a potential traveler and the task is completed, the payment from the receiver is processed through the web/mobile app

Apps & Comm System (Shoppers/Shippers)

- Shoppers/shippers can easily navigate the web/mobile application in 4 steps:
- 1. Enter the departure city, arrival city, departure date, and return date
- 2. Navigate listed ads/tasks that match to the traveling schedule
- 3. Review the cost and the bonus of each task, click transport, and wait for further contacts from the receiver
- 4. Once a task is completed, the payment from the receiver is processed through the web/mobile app
